Demo 2

The screenshot displays the KubeVela Applications dashboard. The interface includes a sidebar with navigation options like 'Applications', 'Environments', 'Resources', 'Clusters', 'Targets', 'Extension', 'Addons', 'Definitions', 'Platform', 'Users', 'Roles', 'Projects', and 'Integrations'. The main content area is titled 'Applications' and contains a grid of 12 application cards. Each card features the KubeVela logo, the application name, a description, and a timestamp. A 'Read Only' indicator is present on several cards.
